

Your ideas for what Donors should do?

1. Focus on 2nd and 3rd tier institutions
2. Provide training opportunities or information sharing for regulators
3. Sponsor entrepreneurship training for MFI managers to help them to see additional business opportunities
4. Sponsor governance training for Directors emphasizing the need for profit with adherence to a social mission
5. Facilitate the establishment of investment banking firms targeted to the microfinance industry
6. Facilitate the merger of smaller MFIs
7. Provide operating support to smaller MFIs that are otherwise promising and operate in underserved markets such as rural areas
8. Encourage joint ventures between commercial banks and smaller MFIs in order to allow the MFI to gain additional expertise or encourage the commercial bank to serve microfinance clients
