

# CLIMATE FINANCE AND LOW-CARBON ECONOMY IN COFFEE INDUSTRY

# 10

THURSDAY  
FEBRUARY  
2022

16:00-17:45 ICT  
Bangkok, Hanoi, Jakarta

Following high-profile climate finance negotiations at COP26, USAID Green Invest Asia and Global Coffee Platform (GCP) co-host a webinar on Climate Finance and the Low-carbon Economy in the Coffee Sector, the third in a seven-part series for the Sustainable Coffee Dialogues. This event highlights climate finance sources, products, and trends to lower carbon emissions in coffee production in Southeast Asia.
